## Cancer Study Day Programme 2012

Updates for healthcare professionals involved in cancer and palliative care

Welcome to The Royal Marsden Education and Conference Centre study day programme for 2012. Our study days draw upon the wealth of knowledge and expertise of the clinical staff at The Royal Marsden and other organisations, who are leaders in their field. Whether you are looking for a general overview of cancer care or specialist knowledge which will support your role, we look forward to welcoming you.

**Discounted block booking rates are available - book 4 places and get the 5th place free.**  
**All study days available to book online.**
